NASA Safety Reporting System (NSRS)

Any NASA employee or contractor working in support of NASA may use the NSRS to report safety concerns.

NSRS reporting forms can be obtained from NSRS displays at every NASA facility or on the Internet at <http://www.hq.nasa.gov/nsrs>.

Beyond reporting safety issues through NASA's safety channels, including the NSRS, employees and contractors may report safety issues to the NASA Inspector General Hotline.

**FOR ANY EMERGENCY, CALL
202-358-1616 or press the speed dial
button directly above the red Emergency
sticker on your VoIP phone.**

In case of fire, pull the nearest fire alarm box
and then call 202-358-1616 with the location of
the fire.

For other services and phone numbers, please
see inside front cover.
